ORDER AND NOTICE OF ORAL ARGUMENT

The Review Commission *sua sponte* orders oral argument in OSHRC Docket Number 13-1124. Oral argument will be held on June 7, 2018, at 11:00 a.m. in the hearing room at the Review Commission’s Washington, D.C. headquarters listed above.

Oral argument will be conducted in accordance with Commission Rule 95, 29 C.F.R. § 2200.95. Each party will have 30 minutes to present its argument and may allocate a portion of their time for argument to their *amicus curiae*. The Respondent will argue first. Each party may reserve up to ten minutes of its time for rebuttal and must so advise the Commission no later than May 17, 2018. The issues to be heard are those that were stated in the briefing notice.

Persons requiring special accommodations under the Americans with Disabilities Act shall submit their requests in writing to the Executive Secretary no later than three (3) working days in advance of the above scheduled date for oral argument to allow time for the request to be handled in an appropriate manner.

Any motion for postponement should be submitted immediately upon receipt of this notice. Counsel should be aware, however, that the Review Commission looks with disfavor upon such a motion, and it will not be routinely granted.

BY DIRECTION OF THE COMMISSION
