OSHRC DOCKET  
NO. 99-0317

AMENDED  
DECISION AND ORDER

After a compliance officer for the Occupational Safety and Health Administration investigated a workplace fatality, that Agency issued citations to Summit Habitats, Inc. and to the Respondent, RNC, Inc., for the violations of safety regulations adopted by the Administration under the Occupational Safety and Health Act of 1970. To avoid duplicity of hearings, the Secretary of Labor and RNC, Inc. filed a Stipulation of Parties wherein it was agreed that the outcome of the Summit Habitats, Inc. case would be dispositive of the citation issued to RNC, Inc.

The undersigned has issued his decision in the Summit Habitats, Inc. matter.

Based upon the terms of the Stipulation of Parties, the citation in the RNC, Inc. matter is disposed in the following ruling:

Citation 1, Item 1 is VACATED.

Citation 1, Item 2 is AFFIRMED with a penalty of \$2,100.00.

Citation 1, Item 3 is AFFIRMED with a penalty of \$1,500.00.
