OSHRC Docket No. 01-0551

***ORDER***

The Secretary of Labor and Respondent have filed a joint motion for relief under Rule 60(b) asking the Commission to vacate that part of its final order affirming a serious violation of 29 C.F.R. § 1910.261(b)(1) and to approve the terms of a Settlement Agreement. On February 18, 2005, the Commission issued an order in which it expressed its intention to grant this relief if the United States Court of Appeals for the Eleventh Circuit remanded the case to the Commission. The court having now remanded the case to the Commission, we grant the joint motion, vacate that part of our final order affirming a serious violation of 29 C.F.R. § 1910.261(b)(1) and approve the stipulation and settlement agreement, the terms of which are incorporated into this order.

So ordered.
